Community Walkabout

Show us what you love about where you live and share the things you'd like to see improved.

24th June
2pm - 4:30pm

Bettws Bottom Site

Pop and see us under the gazebo on the grass area behind the shop.

Join us and your neighbours for a community walkabout and drop in event on Bettws bottom site.

This is your chance to show us what you love about where you live and share the things you'd like to see improved.

Together, we'll explore the area, talk about what matters most to you, and take action to make Bettws an even better place to call home.

What's the plan?

2-3 pm-Community Walkabout

Keep an eye on our Facebook page for any changes.

Who will be there?

Llanw, our repairs team where you can report or get an update on your repairs.

Customer Income Team, will be gathering your feedback as part of our annual rent survey.

Community Housing Team, will be on hand to answer any housing queries.

Engagement Team, who will be promoting the 'I'm in' campaign and share with you how you can get involved in shaping the services we provide.

Estates Team, want to hear your ideas for the green spaces and what you currently use them for.

We also hope to be joined by local partners including the PCSO and Fire Service, we're all working together to create a safe community.
